Brother Andrew Golf Outing: October 2 at the Metedeconk National Golf Club

The Brother Andrew Golf Outing is held each October in memory of the former President of CBA, Brother Andrew O'Gara. The Brother Andrew Golf Outing is the primary event sponsored by the CBA Fathers' Club. See the Fathers Club page on the CBA website for registration and information.

Father/Son Fishing Trip: Fall 2017 in good seas and in bad, with large catches and small, the Father/Son Fishing Trip always proves to be a great day on the water.

Pilgrimage for Catholic Education: Enjoy a scenic Bus Ride through the Jersey Shore with 80 or so Dads (and Moms) visiting establishments that support Catholic Education and enjoy a cold beverage at each locale. Funds raised from this event go to covering the cost of the Polar Bear Plunge.

Polar Bear Plunge: Are you Man Enough? Not for the warm water lovers - but an enjoyable dip in the Atlantic on a cooler day in January all in the support of Catholic Education. Join your Son and brave the cold waters of the Atlantic!

Father/Son Communion Breakfast: Join 800+ Dads and their Sons at the annual Father / Son Communion Breakfast held each spring. A Mass in the Varsity Gym is followed by a breakfast with a prominent guest speaker.

End of Year Family BBQ: The School year and finals are over and is the perfect time to have a BBQ to celebrate. The End of Year BBQ is a joint effort between the Fathers' Club, Mothers' Club, Alumni Association and the CBA Student Council to celebrate the prior year's accomplishments and the end of the school year. Great food, a Beer and Wine Garden for the parents with live music, and games and activities for the students and their siblings.

Father/Son Golf Outing: The last official event held each school year - where the Dads and Sons enjoy a fun day on the course with their friends for some "not so serious" golfing. The golf day is followed by a dinner at the Battleground Country Club and features our gift raffle with a chance to win some great prizes.
