Christian Brother's Academy • Lincroft • New Jersey

Dear CBA Freshman Dads,

My name is Jack D'Agostaro, CBA Fathers Club President, and on behalf of the Christian Brothers Academy Fathers Club –**Welcome to the CBA Family!**

This message is about the next 4 years of your Son's Life. It is our **Invitation** to you to be involved, help your son grow, have some fun and add your own contributions to the CBA community! During the next 4 years, you will marvel at your son's transformation and by the end of his senior year, you will be amazed at how much he has matured and grown both as a student and as a young man. If you have been a CBA dad before, you already know how fast the years fly by and the positive impact CBA had on your son's life. If this is your first time as a CBA dad, you will experience changes in your son as CBA molds and shapes him into a **"CBA Man"**.

CBA's reputation as a nationally recognized leader in the development and preparation of young men for higher education and living productive Christian lives is well known. **With your assistance** - our **Fathers' Club** will help CBA provide your sons with the best education and overall learning experience possible.

The CBA Fathers' Club organizes numerous events throughout the year to help support school activities and raise funds for the school. Just as important, we also have events that bring dads and sons together, such as the Father Son Fishing Trip, Father Son Baseball game, Father Son Communion Breakfast and the Father Son Golf Outing. These events are excellent ways to spend some "adult" time with your sons, share common interests, and to help guide them as they continue learning how to socialize as mature and responsible young men.

So we're asking you to **GET INVOLVED!** It doesn't require a lot of your time and you can participate as much as your family and work schedule will allow. Our monthly meetings begin with a light buffet dinner at 7:00 PM and normally end around 8:30 PM. Besides reviewing our upcoming events and exchanging ideas, we usually have a member of the CBA staff speak at our meetings to discuss an important program or to share a success story.

Our first meeting of the year is our fantastic **Annual Fathers Club Welcome BBQ on Monday, September 18 at 7:00 PM in the school cafeteria**. If you make one meeting this year, this is the meeting you should attend. **It is a great night to meet your fellow CBA dads and to learn how you can be more involved in your son's high school experience.**

If you are not able to make the Welcome BBQ or monthly meetings, but would like to be involved, please take a minute to log onto the CBA website (www.cbalincroftnj.org) and make sure your profile information is up-to-date. You can also visit the **Fathers Club Section of the CBA website** to find more information on what the Fathers Club offers and how you can participate.

Enjoy your summer and I look forward to meeting all of you at the **Father's Club Welcome BBQ on Monday, September 18 at 7:00PM in the school cafeteria**. Congratulations again on choosing CBA.

Sincerely,

Jack D'Agostaro
President, CBA Fathers' Club
