

Mothers' Club - Minutes

Virtual Meeting April 20, 2020

Welcome from Brother Frank, along with Opening Payer.

Brother Frank shared that everyone is doing the best they can under these circumstances. The remote learning has been going very well and the interactive classes have been a great way to see and connect with the students. He also shared that pending what is allowed by the governor, they are trying to plan a graduation of some type or special celebration for the senior class.

Opening Remarks

Beth Caruso, Mothers' Club President, gave Welcome! Thanked everyone for joining. Expressed concern for all the families' health and safety. Explained that virtual meeting was more of a touch base and see how everyone was doing as all our CBA events are on hold due to state mandates. Expressed to all that they are welcome to share their concerns, suggestions, or just call in if they want to chat. The Mothers' Club is here for them.
