Colleges and Secondary Schools

Mission

The mission of Christian Brothers Academy is to develop intellectually mature and morally responsible leaders. Drawing from the ethos of the founder of the Christian Brothers and the patron saint of teachers, St. John Baptiste de La Salle, Christian Brothers Academy not only imparts knowledge but transforms adolescent boys into Christian gentlemen of strong moral character who are aware of the larger world and ready to serve society. Excellent academics and diverse extracurricular programs are invaluable parts of this mission, but it is the totality of education, the development of the whole person - spirit, mind, and body - that Christian Brothers Academy is uniquely suited to provide.

Academic Program

- Christian Brothers Academy engages students in a rigorous liberal arts curriculum.
- All courses, no matter the level, are academically rigorous and promote high-level analytical thinking.
- Students must fill at least six and no more than seven class periods a day.
- Gaining entrance to honors, accelerated and/or AP courses is predicated on earning a qualifying final grade in the prerequisite course.
- All students enrolled in an AP course must sit for the corresponding AP exam.
- Linear Algebra, Differential Equations, Anatomy & Physiology, Business, and Economics are demanding courses offered to seniors and should be regarded as college-level courses.
- Students earning below 70 as a final average in an academic year course are required to take a summer course for remediation.

Signature Programs

- The **Brother Michael Dwyer, FSC Scholars Program** is comprised of a cohort of students in the top 10% of their class who during their junior and senior years participate in focused research in a selected area of study.
- The **Christian Service Program** requires each student to complete a minimum of 50 hours of service to those in need over their 4 years of high school. Seniors particularly committed to service have an opportunity to enroll in a **Christian Service Class** where they perform weekly volunteer service at a site of their choosing.
- The **Peer Ministry Program** selects 30 seniors to serve as "GURU's," or big brothers, to members of the freshman class. The GURU's lead weekly meetings with small groups of freshmen to help foster their personal, spiritual, academic, and social growth.

Standardized Testing Analysis

2023 SAT/ACT Score Averages

2023 AP Test Results

241 AP Students
621 AP Exams Administered
79% of Students Achieved a 3 or higher

97 Total AP Scholars 2023

Class of 2023 - 208 Graduates

100% Accepted to a 4-Year college

97% Enrolled in a 4-Year college

17 National Commended Scholars

21,008 Total Hours of Service

2 National Finalists

\$29.6 million in academic scholarships earned

Grading Scale

The Academy uses a weighted numerical system. 70% is the minimum passing grade

Grading Scale	
4.3	97-100
4.0	93-96
3.67	90-92
3.33	87-89
3.0	83-86
2.67	80-82
2.33	77-79
2.0	73-76
1.67	70-72

Class Weighting	
AP & Accelerated	1.10
Honors	1.05
College Prep	1.00

Honors and Ranking

First Honors are awarded to a student with a GPA of at least 92, with no weighted grade below 85.

Second Honors are awarded to a student with a GPA of at least 86 with no weighted grade below 80. Considering the quality of the student body and the rigorous college-preparatory curriculum, **students are not ranked.**

National Honor Society: Saint de La Salle Chapter

Roughly the top 15% will be inducted. Acceptance to the NHS requires:
GPA of a 92 or above
School & service involvement
Demonstration of leadership and character

Graduation Requirements

Includes 24 AP courses & 44 Honors and Accelerated courses with strict prerequisite requirements

*Honors level available in this class, ~Accelerated track available, ^Manhattan College Dual Enrollment available in certain levels

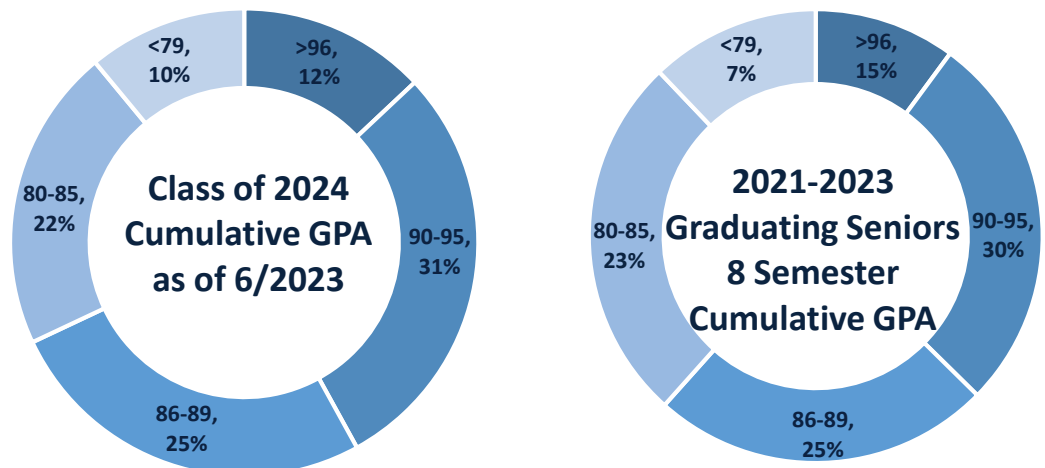

Class of 2023 AP Analysis

 While C.B.A. offers numerous AP courses, most students will not complete an AP course until their junior or senior years. The top 10% will have an opportunity to take an AP course in their freshman and sophomore years. The chart below will provide more context on the number of AP courses completed during a 4 year career.

# of AP Courses	5+	3-4	1-2
% of Students	23%	15%	30%

Cumulative GPA Distribution

Below is a graphical representation of the GPA distribution for the Class of 2024 following their first 6 semesters at Christian Brothers Academy. Additionally, the second chart provides a graphical representation of the final cumulative GPA distribution from the past three graduating classes. These visuals will assist you in understanding our students within the context of our demanding academic environment.
