

Dear Colts Families:

On behalf of the CBA Athletic Department, I would like to welcome you and your son to the community of Christian Brothers Academy! In staying true to the Lasallian principles of educating the mind, body, and spirit, athletics at CBA play a critical role in molding well-rounded young men who are prepared for college and the world that lies beyond. As new students, I strongly encourage you to consider athletic participation for the 2024-25 year. Athletics are a valuable part of the CBA education, teaching students about physical effort, leadership, cooperation, and brotherhood.

We offer eighteen interscholastic and three intramural sports programs over the course of the school year, broken up into three athletic seasons (fall, winter, and spring). Many of our sports programs offer Freshman and Junior Varsity levels, giving added opportunity for participation. This variety of sports and lower levels gives nearly every student an opportunity to participate in athletics. In fact, last year over 70% of our students competed in interscholastic athletics! Additionally, CBA advocates that our students try to participate in a sport each athletic season, enhancing their high school experience and furthering their growth.

Please see below for more information concerning the sports programs we offer and our registration process.

<u>FALL</u>	<u>WINTER</u>	<u>SPRING</u>
Crew	Basketball	Baseball
Cross-Country	Bowling	Crew
Rugby (7's)	Fencing	Golf
Sailing	Ice Hockey	Lacrosse
Soccer	Indoor Track & Field	Outdoor Track & Field
